

IMPORTANT INFO

Parking

Parking cost is \$5 for every vehicle. Cash only, Exact change is always best. We are on a military base so you **MUST** follow the speed limit of 20 MPH. Follow the signs and people directing you where to go. We will have a drop-off area for the team to unload tents, coolers, etc. But not runner dropoff. Once supplies are dropped off you must leave and park in the designated spots. **If you leave before 10:30 you will be guided to exit out of the North Gate. Maps will be provided on the back of your parking pass upon entry.**

HWY 101 construction

Please allow extra time for parking and getting on base. We have plans in place and extra volunteers to help make the process as seamless as we can but there will be things we can't control and traffic on the 101 is one of those things.

Have your license out and ready

Every driver entering the base must show a valid driver's license. Temporary and expired licenses or learning permits are not allowed.

Base rules

While our event is going on there will be an Army Unit conducting routine training. Please be respectful of them and **do not try to touch any of their equipment. Make sure to give them their space. A friendly hello is definitely welcome and some soldiers may have time to chat!**
